

**AT A LOOSE END ON SUNDAYS?**

**ENJOY THE COUNTRYSIDE?**

**NOT GETTING ENOUGH EXERCISE?**

**WANT TO MAKE NEW FRIENDS?**

**NO CAR? - NO PROBLEM!**

We are a friendly, independent, Leamington based rambling group. Walks take place on most Sundays; we leave Newbold Terrace East in Leamington ( see map on back cover) at 9.30 am or 1.30 pm, providing the opportunity for either a full day (approximately 7 to 12 miles) or a half day (approximately 5 miles) walk, returning at around 6.00 pm, or earlier in Winter, except when the destination involves longer car journeys.

Mid-week morning rambles are also organised during the summer.

Please see our current program for details.

We share cars and fuel costs which average £4-00 per passenger.

A packed lunch, snacks and drinks should be brought, since cafes and pubs are not usually visited except on mid-week morning walks

Dogs are NOT allowed as they can cause problems with farm dogs and farm animals.

Walking weekends (or longer holidays) are organised from March to November. We stay in B & B accommodation in various parts of the country.

Social events take place from time to time in Leamington.

Expensive equipment and maps are not necessary, but suitable footwear; boots (or wellingtons in winter), warm, waterproof clothing and a rucksack are essential for comfort and safety.

Members have the opportunity to lead walks if they wish, and will regularly receive programmes of rambles.

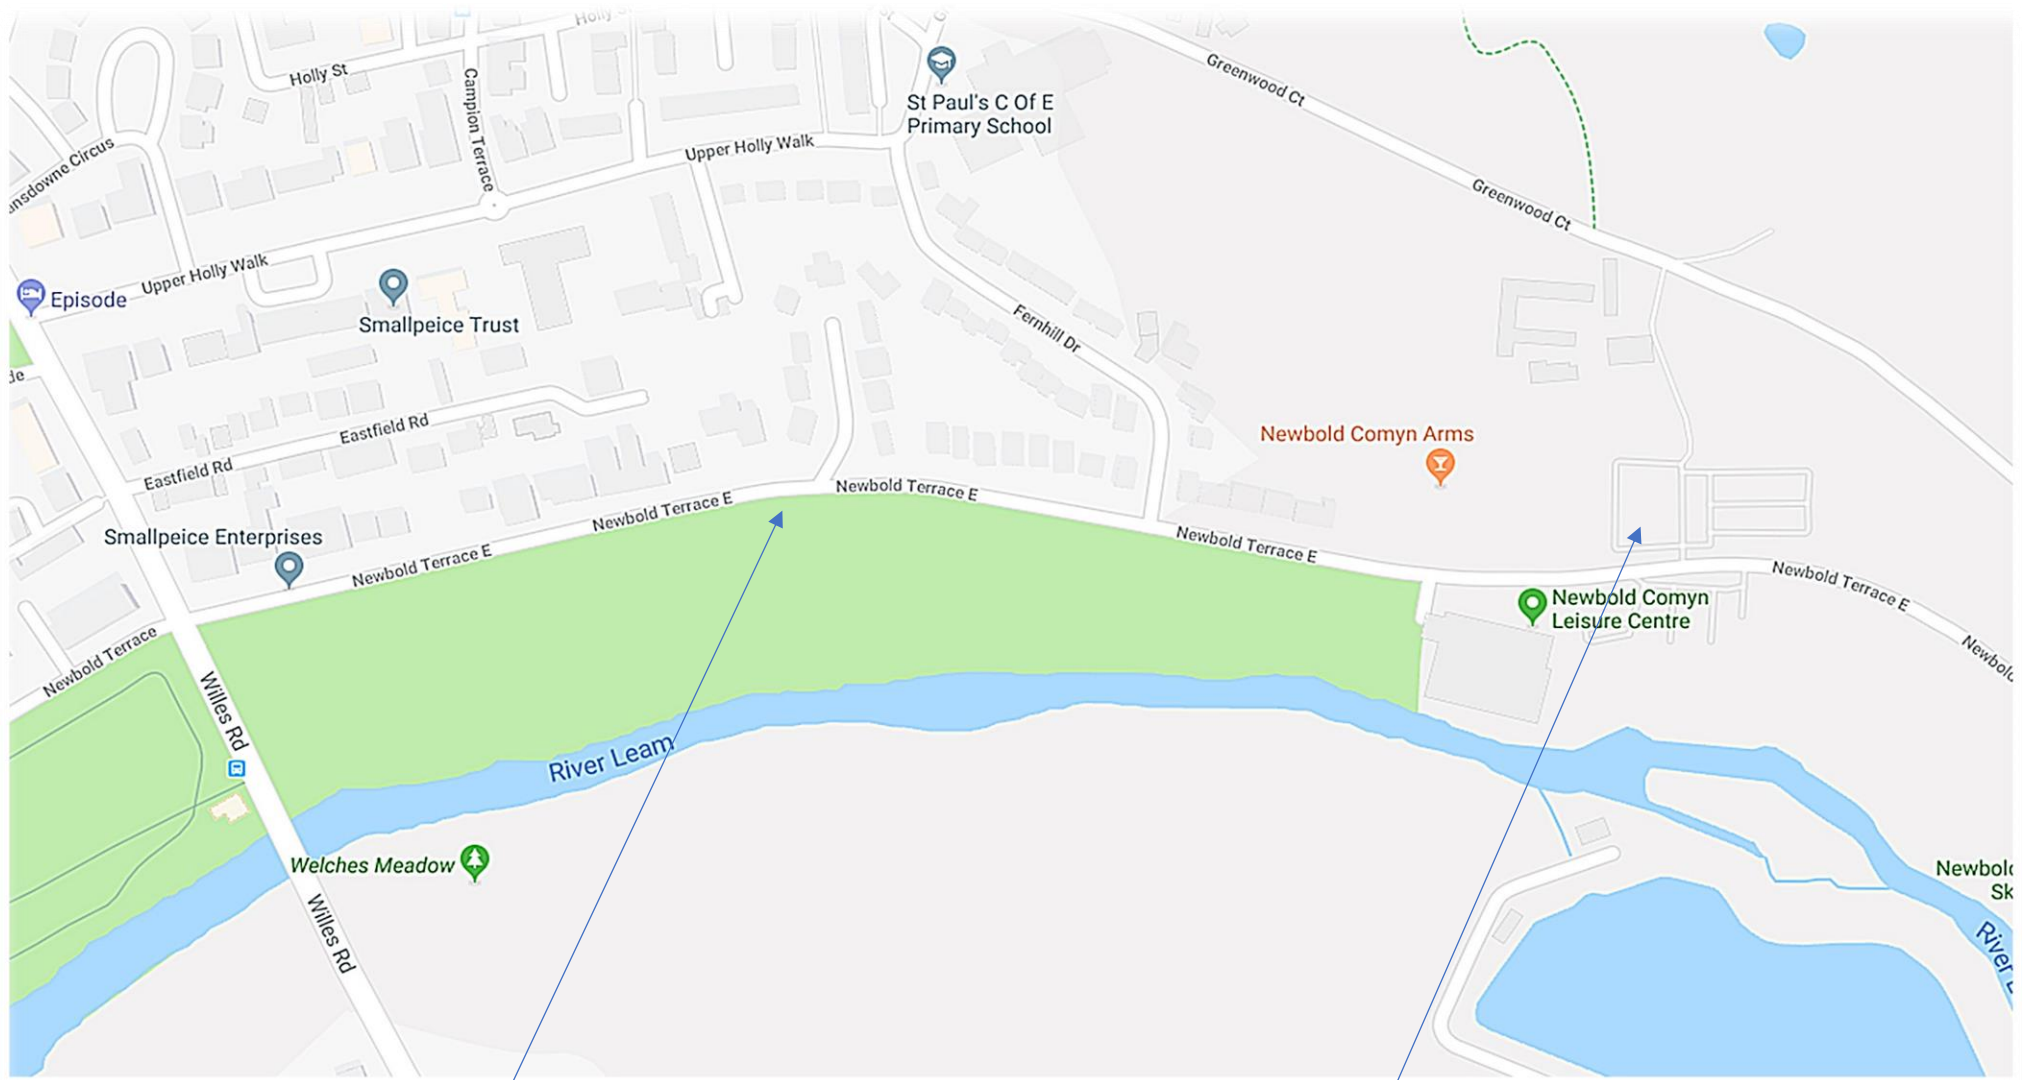

Members and visitors take part in Club activities at their own risk. Please see our guidelines on walking with the Club.

The Club is affiliated to the Ramblers Association.

**WHY NOT TURN UP AS A VISITOR ONCE OR TWICE AND SEE IF THIS IS FOR YOU.**
